

## Invitation

August 1974

August 2014

By October 01, 2014 I will have been retired for 5 years. On September 18 it will be 40 years since I defended my Ph.D. Thesis. September 01 is the date I started working at the University of Amsterdam 45 years ago. And, back in 1962, I started my study Mathematics, again on October 01.

October 01 is also the date when, in 1964, I joined the Mathematical Center as a technical assistant, which was the start of my life as a researcher. This is an event which I believe to be worthy to be celebrated.

Therefore you are all cordially invited to join me for drinks and snacks. In particular I invite those colleagues who have worked with me on joint papers, presentations, committees or other activities.

Venue: Café Restaurant Polder at the WCW, Science Park 205, 1098 XH Amsterdam.

Time: October 01, 2014, 1630 – 1930 hrs.

It will be not an official reception. So no speaches, and no presents.

For logistic reasons: RSVP at <a href="mailto:peter@bronstee.com">peter@bronstee.com</a>
